## Mayor presides over garden grand opening

**CHESTER**—Flowers and vegetables are growing in abundance at the new Chester Community Garden. Mayor Bill Cogger of Chester Township, along with Community Garden committee members, recently cut the ribbon to officially open the garden, located at 100 North Road in Chester. The garden still has some plots left for fall gardening. Visit [www.chestertownship.org/community-garden.html](http://www.chestertownship.org/community-garden.html) for more.

## 50-Plus Club readies to hit the road again

**CHESTER**—The 50-Plus Club of Chester celebrated its 38th anniversary at the June 14 meeting of the club. The members were treated to a slice or two of six-foot Italian subs and a piece of the 38th birthday cake.

At the June 28 meeting, the club was entertained by the Chester School of Dance Studio. The students range in age from 6 to 17 years old. Their presentation is an annual event for the club, and a program that the members look forward to seeing.

This year, the club has taken five day trips already, but has lots more fun planned. The club always invites new people to come and enjoy the fun and to become members. Contact Bob Jones, president, at (908) 879-5355 or Fred Weippert, vice president, at (908) 876-3737, for more information.

Sept. 12 through 15, there will be a four-day trip to Niagara Falls via deluxe motor coach transportation. The three nights' accommodations near the falls include three breakfasts, three dinners, guided tour of the falls area, a tasting tour through a local winery, visit to Daredevil Museum

and IMAX movie, a full-day guided tour of Toronto and Casa Loma Museum and a visit to the Niagara Falls View casino. Baggage handling, all taxes and gratuities (except bus driver) are included. A passport or passport card is required.

On Tuesday, Sept. 20, the club heads off to The Brownstone in Paterson for the *Copacabana Show*, a memorable nightspot with a dance band, singers and dancers. A luncheon menu will be served.

On Monday, Oct. 31, The Royal Manor in Garfield will be the site for the Honky Tonk Halloween Party featuring Laura Roth, comedienne. This will be a fun-filled "country bumpkin pumpkin party." There will be door prizes and a 50-50 drawing to test your luck. Don't forget extra cash for the boutiques. A luncheon will be served.

Nov. 14 through 17, a four-day trip to the White Mountain Hotel & Resort in New Hampshire is planned. The three nights' accommodations include a Yuletide welcome reception, three breakfasts, two luncheons and
